CS Games is an **inter-university competition** involving CompSci, SOEN, and COEN students from across North America.

For an entire weekend, competitors will be **challenged** both individually and cooperatively in a medley of interdisciplinary competitions.

When: March 4-6 2005

Where: Quebec City

www.csgames.org

CCSS wants to make a **team** to represent Concordia!

Would you like to join us?
If so, **you must write us an email!**

Spaces are very limited!

Deadline is Dec 6th at midnight.

ccss@cs.concordia.ca
